FOR IMMEDIATE RELEASE

Marion Ag Service, Inc. Achieves ISO 9001:2015 Certification

Marion Ag Service, Inc. is pleased to announce today that it has earned ISO 9001:2015 certification. The comprehensive system audits covered every aspect of Broadacres Fertilizer Operations.

ISO 9001:2015 is a quality management system standard that was developed by the International Organization for Standardization, which is an association of governmental and nongovernmental organizations from many countries. The ISO 9001:2015 standard is utilized to certify quality management systems that focus on continuous improvement, customer satisfaction and the active involvement of both management and employees in a process based approach.

Fulfilling the strict requirements of the ISO 9001:2015 standard highlights our focus and commitment to deliver total customer satisfaction.

Any company that has been through the certification process knows that achieving ISO 9001:2015 certification is demanding. Each individual in our operations must be wholly dedicated to the pursuit of quality. By scrutinizing this operation at every level, we assure that our customers are receiving superior customer service and the highest quality products.
